Procedure of the approval of the criteria

- The Executive Committee approved the selection criteria with written procedure in March 2019 following the provision of Art. 3 of its terms of reference

Art. 3 – Tasks

In line with the provisions of the CP Interreg V-A ITALIA-MALTA, the Executive Committee is a body set up by the Monitoring Committee in order to carry out the following functions:

- it submits to the Monitoring Committee, supported by the JS, the eligibility and evaluation criteria for the selection of the projects, to get its ultimate approval;;***

VERIFICATION AND EVALUATION

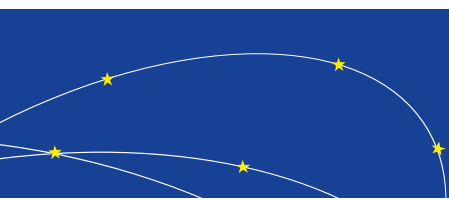

Formal Eligibility Requirements

Preliminary investigation activities of project proposals aimed at verifying both the compliance with the formal eligibility requirements (administrative compliance of the presentation of the request and the application dossier/Application Form), and the existence of the general eligibility requirements (minimum conditions of eligibility) of such proposals as stipulated by the programme and the public notice for selecting the project proposals.

Quality assessment of the project proposals

Verification of the project proposals in order to ensure the **strategic evaluation** and the **operational assessment**

Max 500 points

Formal Eligibility Requirements

Administrative Compliance

YES

NO

The project proposal has been compiled in the standard template "Application Form" as foreseen by the Information System

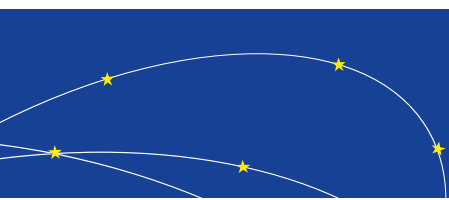

The Application Form has been sent through the information system to the Managing Authority, in line with the requirements stated in the public notice, by the closing date stipulated in the call for project proposals

The Application Form has been prepared in one of the two official languages of the programme (Italian and English) and a summary has been provided in the other language

The Application Form and its annexes shall contain all sections of the documents and include all the necessary signatures and stamps of the Lead Partner/partners. The Lead Partner is responsible for the collation of such documents

The project activities carry out the eligible actions identified within the public notice

The Application Form contains all the co-financing letters, letters of intent and State aid declaration, duly signed and stamped, of each project partner

Formal Eligibility Requirements

Partnership

YES

NO

The project partnership consists of at least two beneficiaries, i.e. one from Sicily and one for Malta

The project partnership consists of a maximum of 8 beneficiaries

The Lead Partner and partners have their head office and/or company, including the administrative competence, in the eligible territory

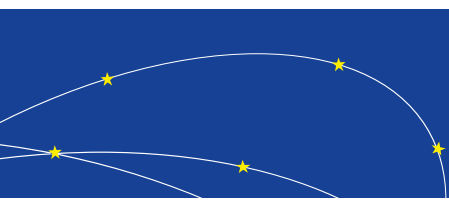

The lead partner and partners are among the categories of beneficiaries as stipulated in the public notice

Financial aspects

YES

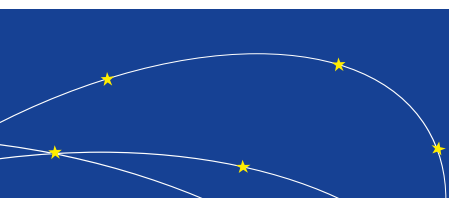

NO

The budget of the project is in line with the requirements of the public notice within the section "project characteristics"

Formal Eligibility Requirements

- eligible for the next evaluation phase
- eligible after completion of the documentation
- ineligible for the assessment phase
