<p>3.2 - Breve descrizione dell'idea progettuale / Brief description of the project idea</p>	<p>Title: Sustainable Schools Exchange Program: Building a Greener Future</p> <p>Description:</p> <p>The Sustainable Schools Exchange Program aims to transform a local school in Malta into a beacon of sustainability, setting an example for the community and beyond. Exereco will be conducting research and advising a local public school in Malta, with the aim of transforming it into a model of sustainability, serving as an example not only for the community but also for others beyond its borders. This initiative seeks to engage a foreign partner/school to embark on a collaborative journey towards environmental stewardship.</p> <p>Through this project, both local and foreign schools will work together to implement a range of sustainable practices and initiatives. These may include:</p> <ul style="list-style-type: none"> - Energy Efficiency: Implementing energy-saving measures such as installing solar panels, LED lighting, and improving insulation to reduce energy consumption and carbon emissions. - Waste Reduction: Introducing recycling programs, composting initiatives, and reducing single-use plastics to minimise waste generation and promote a circular economy mindset. - Sustainable Transportation: Encouraging walking, biking, or carpooling to reduce the carbon footprint associated with commuting to school. - Green Spaces: Developing school gardens, green roofs, or outdoor learning spaces to foster a deeper connection with nature and promote biodiversity.

	<ul style="list-style-type: none"> - Environmental Education: Integrating sustainability into the curriculum through interdisciplinary projects, workshops, and guest lectures to empower students with knowledge and skills for a sustainable future. <p>As part of the exchange program, students from both schools will have the opportunity to visit each other's campuses, participate in joint sustainability projects, and share their experiences and perspectives. This cross-cultural exchange will not only enrich their understanding of sustainability but also foster global citizenship and collaboration.</p>
