

CALL FOR TENDER FOR MARKETING SERVICE

Malta Vocational Centre - MVC (partner n.3 in the Interreg Italia-Malta “JobMatch 2020” project) is issuing a Call for Tender for externalisation of Marketing Service.

The Call is open until 25th September 2020

MVC intends to select a marketing service for the assignment of tasks within our “JobMatch 2020” project. The objective of the web marketing campaign must be to reach people potentially interested to participate in “smart working experiences” that will take place in the coming months.

The objective of the assignment is to provide the following services:

- email template design;
- n.1 news article;
- Facebook and Instagram campaign (including media buying budget).

EXPERIENCE AND SKILLS FOR THE REQUESTED SERVICES

- Experience and know-how in the organisation and management of marketing service.

The requirements and experience as well as all information deemed relevant should be clearly indicated as satisfied by means of Curriculum Vitae/Company Profile.

The assignment will be governed by a contract drawn up in accordance with current regulations.

The submission of the curriculum does not constitute for MVC any form of commitment for any reason.

MVC will evaluate the curricula and also request in any moment additional documentation about the declarations reported in the CV/Company Profile.

For applying and information concerning the Call for Tenders please send documents or write to: info@mvcentre.org.
