The article at the paragraph:

“The selection and evaluation procedure, as per art. 12, will be carried out in three monthly periods, until the available resources are exhausted, as indicated below:

1 st evaluation: applications received via e-mail no later than 06 January 2022

2 nd evaluation: applications received via e-mail no later than 06 February 2022

3 rd evaluation: applications received via e-mail no later than 06 March 2022”

Applications received after the 06th of March 2022, which is the closing date of the Procedure, will not be taken into consideration for the purposes of the evaluation.

Applications received after the closure of the first evaluation period (06 January 2022) will be evaluated based on the availability of residual resources. We will promptly report through communication on the project website that the available resources have been exhausted with the consequent cancellation of the subsequent application evaluation period.

In view of the limited amount of the available resources, a timely submission of the application is recommended”.

It is modified and integrated as below:

“The selection and evaluation procedure, as per art. 12, will be carried out in five periods, until the available resources are exhausted, as indicated below:

- 1 st evaluation: applications received via e-mail no later than 06 January 2022*
- 2 nd evaluation: applications received via e-mail no later than 06 February 2022*
- 3 rd evaluation: applications received via e-mail no later than 06 March 2022*
- 4 th evaluation: applications received via e-mail no later than 31 May 2022*
- 5 th evaluation: applications received via e-mail no later than 31 July 2022*

www.moveon-italiamalta.it

Applications received after the closure of the third evaluation period (31 march 2022) will be evaluated based on the availability of residual resources. We will promptly report through communication on the project website that the available resources have been exhausted with the consequent cancellation of the subsequent application evaluation period.

Applications received after the 31th of July 2022, which is the closing date of the Procedure, will be taken into consideration for the purposes of the evaluation, after the evaluation of all applications received by the deadline, and only in case of availability of residual resources.

In view of the limited amount of the available resources, a timely submission of the application is recommended.”

All the other provisions referred to in the Notice remain valid.

The aforementioned changes are subject to the approval of the extension of the project activities requested to the Managing Authority sent with protocol note no. 392/PA on 30/03/2022.
