# PROJECT MOVE ON 2027

*This guide provides comprehensive information on how to apply for the Public Call for the selection of five (5) participants under the MOVE ON 2027 Project, funded by the INTERREG VI-A Italy–Malta 2021–2027 Cross-Border Cooperation Programme.*

*MOVE ON 2027 aims to strengthen the qualification and mobility of human capital in the Italy–Malta cross-border area, addressing the limited exchange of skills and workforce mobility identified in regional analyses.*

*Building on the previous MOVE ON project's success, the initiative promotes training and mobility experiences for both young people entering the labor market and employed professionals (entrepreneurs, managers, technicians), fostering innovation, internationalization, and a more balanced cross-border labor market.*

*MOVE ON 2027 also engages policy makers and stakeholders in developing a cross-border cooperation network that connects employment, mobility, entrepreneurship, and innovation particularly in the RIS3 sectors of Sicily and Malta.*

*This initiative is designed to support employed people in strengthening their professional competencies and gaining valuable international experience within the Malta - Italy cooperation area.*

# WHAT IS THIS PUBLIC CALL?

*This Public Call is an open selection procedure launched within the framework of the MOVE ON 2027 Project. Its purpose is to identify five (5) participants from Malta — including professionals, entrepreneurs, self-employed individuals and employees — who will take part, free of charge, in structured capacity-building and cross-border mobility activities aimed at strengthening competences, fostering innovation, and promoting cooperation between Malta and Sicily.*

# WHAT WILL SELECTED PARTICIPANTS DO?

## *Phase 1*

### *– Online Capacity-Building Workshops*

*Participants will attend a training cycle of 15 hours, organised into five (5) online sessions focusing on:*

- RIS3 development priorities and innovation trajectories*
- Regional, national and EU funding opportunities*
- Internationalisation strategies and cross-border cooperation*
- Skills development for entrepreneurship and industrial transition*

## *Phase 2*

### *– Cross-Border Mobility Experience in Sicily*

*Participants who attend at least three (3) out of five (5) workshops will join a 3–5 day mobility experience in Sicily, including:*

- Study visits to companies, institutions and organisations*
  - Exchange of good practices with Sicilian stakeholders*
  - Networking opportunities in key RIS3 sectors*
- Participation in follow-up and dissemination activities*

# WHO CAN APPLY?
